## Work Experience

### Web Designer

ARC Logistix - Remote  
March 2021 - Present

Client requested help with brand identity for their delivery service. Designed a website using Squarespace, making additional changes upon request via email and phone. Designed brand logo and website graphics using Adobe Illustrator.

### Dungeons and Dragons 5E Game Master

Personal Study - Remote  
March 2021 - Present

Organized a weekly meetup with peers to conduct exercises based on problem solving and creativity. Applied leadership skills to ensure the enjoyment of each member. Created a mutual relationship of character and story development.

### Marketing Internship

Southern California Christian Students - Remote  
June 2020 - November 2020

Joined a build team discussing how to increase club presence. Communicated using Zoom for team building and contributing marketing ideas. Designed ads using Adobe Illustrator for social media. Assisted in Web Design using Editor X.

### Freelance Digital Designer

Handdrawn Tops - Glendale CA  
December 2019 - February 2020

The client requested vector art drawings of digital tattoo prints in order to kickstart a business. Designed sleeve and body prints with Adobe Illustrator. Exchanged back and forth feedback and revisions using Email and DropBox.

### Freelance Motion Graphic Designer

University of Southern California - Los Angeles CA  
September 2018 - January 2019

USC's Center for Craniofacial Molecular Biology were looking for ways to explain their research to general audiences. Designed a motion graphic using Adobe AfterEffects in order to visually communicate tooth development.
